

Leading Proxy Advisory Firms ISS and Glass Lewis Recommend Ardelyx Stockholders Vote in Favor of Proposed Share Increase

June 5, 2023

WALTHAM, Mass., June 05, 2023 (GLOBE NEWSWIRE) -- Ardelyx, Inc. (Nasdaq: ARDX), a biopharmaceutical company founded with a mission to discover, develop and commercialize innovative, first-in-class medicines that meet significant unmet medical needs, today announced that leading proxy advisory firms Institutional Shareholder Services Inc. (ISS) and Glass Lewis & Co (Glass Lewis) have recommended that Ardelyx stockholders vote "FOR" the Company's proposal to amend the Company's certificate of incorporation to increase Ardelyx's authorized shares of common stock from 300 million to 500 million shares.

In the report dated May 29, 2023, ISS noted that "A vote FOR this proposal is warranted given that the size of the proposed increase in the number of authorized shares of common stock is reasonable and there are no substantial concerns about the company's past use of shares."

"We are pleased that both ISS and Glass Lewis support our proposal to increase the number of authorized shares of common stock," said Mike Raab, president and chief executive officer of Ardelyx. "While we do not currently have any plans for these additional shares, the Ardelyx Board of Directors believes that additional authorized shares of common stock would give the Company the necessary flexibility to issue shares for various corporate purposes, including, in particular, capital-raising or financing transactions, and enable the Company to take timely advantage of market conditions and opportunities."

The Company's upcoming Annual Meeting of Stockholders is scheduled to be held on June 15, 2023 at 8:30am ET. Detailed information about all the proposals can be found in Ardelyx's Proxy Statement, which is available to stockholders at ir.ardelyx.com.
